ABOUT MY [TIE] "TESTIMONY IN EVIDENCE" EXHIBITS

I've been "stuck between a rock and a hard place" since the two primary bad actors in this lawsuit, defendants Story and Binkley first invaded my life and waged war against my family, property, and finances under the fraudulent color of law. They have acted with brute force along with a level of willful and wanton careless disregard, which I can only articulate as "unconscionable defiance and indifference" to the rule of law, their oaths of office, and the State of Tennessee's Rules of both Professional and Judicial Conduct, from the very beginning.

My [TIE] Testimony in Evidence Exhibits were my attempt to **show the truth** which I still don't know how to articulate in both a professional and believable manner. I've tried to use **heavy markup** on court documents, emails, and other evidence, while trying to *state the truth* **inline** *with the fraud written* directly into the court records by the court officers involved.

I honestly lack the education and communication skills to know how to communicate the shocking level of criminal misconduct I have experienced by the Tennessee courts and counsel, especially in a manner which the courts would not find *disrespectful*, *disparaging*, or consider my attempts at communicating to be *contempt for the court*[1]. I have tried to show the truth, *combined with supporting evidence*, to *testify* about and *prove* the excessive misconduct which I have experienced.

[1] Which could cause my testimony to be completely disregarded and ignored by the courts, due to form rather than substance.

	This was an Emergency 250+/- page Ad Hoc Divorce Answer and Counter Complaint to Everything in Docket #48419B, filed in Chancery Court on 8/29/2019 (the first day I was allowed to file anything "pro se"), which I personally witnessed in the hands of Binkley and Story that day. Binkley said they would address it at the next hearing and Story said I could participate over the phone. Both reneged without notice or motion, ignored my pleadings/testimony/evidence, on court record and cast harsh, punitive "default" judgments.			A good faith "default" was physically impossible, **I never failed to plead!**

This exhibit is marked-up to point out the absurdity of someone with such a sordid past passing judgment against me, when he should have never been on a bench, let along hearing cases by his undisclosed close family friends and partying buddies. That's unreasonable.	1-14 ~ 1-16	597-640	10/13/2023

	[TIE] Exhibit: "Order of Protection" as an Illegal "Prior Restraint". This booklet exposes how the bad-faith, fraudulent, default "Order of Protection" has been levied against Plaintiff by Story, Binkley, Beeler, and the Chancery Court for illicit purposes, to dominate, harass, threaten, control, extort, oppress, retaliate, interfere, and punish. Plaintiff's wife was **never in any danger**, the claims were false, fraudulent, and absolutely absurd from the start.	1-31 ~ 1-33	1794-1873	10/13/2023

2020/2021	[TIE] Exhibit: Willful and Wanton Disregard for the Rules of Judicial and Professional Conduct – Principal Rules Violated. (This was originally designed as a **mental health break,** not to be filed in court. This was an attempt to laugh at my circumstances, as I tried to keep my sanity, despite being told that I must "self-teach" myself the law, while the more I learned, the more aggravating it became that the members of the court didn't even attempt to obey the law or the courts own rules of conduct. Despite its offensive characterizations, this proved to be an invaluable tool for learning the rules of conduct.) **Later, out of respect for this court, I recreated this document without the offensive characterizations and refiled it in this lawsuit in ECF-41.**	1-40	2068-2090	10/13/2023
