Good afternoon. My name is Ryan Cobb. I'm calling for Jeffrey Fenton.

I'm an assistant United States Attorney in Grand Rapids, Michigan.

I'm calling regarding the lawsuit you've filed in the Western District of Michigan against a host of parties including Judge Walker, who is a bankruptcy judge down in Tennessee.

I'll be representing him and I'm planning on filing a motion to dismiss your claims against him.

Under local rules, I need to try to discuss that with you, which is what I'm doing now, happy to explain the basis for the motion to dismiss. If you want to return my call, my number is 616-456-2404, and then you can just ask to speak to me Ryan Cobb (ryan cobb). Again, 616-456-2404. Thank you.

I don't know how to describe the feeling, when you've been forced to accept the fact that you have been betrayed by your own government, while fighting for years against alleged "public servants" and powerful people who hold offices of public trust, when never was there any basis for trusting them in the first place, let alone placing them in charge of our lives, families, liberty, and property, with almost no meaningful mechanisms of transparency or accountability whatsoever. People who hold their own words higher than those of our creator and our federal constitution.

Then for the first time to get a phone call from a **United States Attorney**, and to think for just a split second that finally someone had seen the evidence in my case, showing the crimes committed against me and my family, under the color of law, by the conspiring Tennessee courts and counsel, and **called in the calvary to protect me**, to help hold the bad actors accountable... finally... better late than never. Only to realize a sentence or two later just how outrageously incorrect my momentary lapse from reality had been.

Instead "our" government had sent in **another attorney**, employed by our tax dollars, **seeking to defeat me and justice**, by dismissing my lawsuit with more frivolous claims. To continue cheating myself and my family out of our lives, liberty, and property, when they never had an ethical or lawful cause for touching any of it in the first place.

Sadly, this is the ***"practice of law"*** in the United States of America today. If truth be known, there is no greater threat to this nation or the people, either foreign or domestic, than those who pretend to ***"practice law"*** in our courts every day, without respect for the inalienable natural rights of every man, woman, and child; many whom have no honest interest, reverence, or concern about real justice.
