UNITED STATES DISTRICT COURT FOR THE WESTERN DISTRICT OF MICHIGAN

JEFFREY RYAN FENTON,

v.

VIRGINIA LEE STORY ET AL.,

DEFENDANTS

CASE NO. 1:23-CV-01097

FIRST AMENDMENT RIGHT OF ACCESS: OBJECTION, MOTION, AND DECLARATION FOR DISTRICT JUDGE PAUL L. MALONEY TO CORRECT & MINIMIZE OR REMOVE REDACTIONS[1]

(NOT FOR CONSIDERATION BY A MAGISTRATE JUDGE)

Plaintiff brings this objection, motion, and declaration pursuant to 28 U.S. Code § 1746; Michigan Code of Judicial Conduct, Canons 1, 2, and 3; U.S. Const. amend. I, V, IX, and XIVI; Case Law (6th Cir.); and 18 U.S. Code § 4 - Misprision of felony.

1. I am the Plaintiff in this lawsuit, domiciled in Genesee County, Michigan.

2. I understand that there is no longer an open case in this court.

3. This document is being specifically filed regarding the **local court records** held by the **Western District of Michigan**, not the ongoing lawsuit after it was transferred to Tennessee.

[1] This lawsuit was originally filed on October 13, 2023, in the United States District Court for the Western District of Michigan (hereinafter "MIWD") as case no. 1:23-cv-01097. On October 25, 2024, MIWD transferred this lawsuit as ordered in ECF 127 to the United States District Court for the Middle District of Tennessee (hereinafter "TNMD") as case no. 3:24-cv-01282. The language used in the file stamps of each page filed is slightly different between the two courts. MIWD uses the term "ECF No." (which I abbreviate as "ECF"), while in place of that, TNMD uses the term "Document" (which I abbreviate as "DOC"). Both courts use the term "PageID" (which I abbreviate as "PID"). Citations to the court record in this lawsuit will be notated without the case name or number, using the starting DOC/ECF number, followed by both the beginning and ending PID. The Notice of Electronic Filing for this transfer is recorded in TNMD DOC 131, at which point the DOC/ECF number from MIWD was retained and continued, but the PID was reset after DOC 130, PID 5727, to restart at zero.

4. This document, along with those filed with this court during February of 2025, were/are intended to **correct the court record** in this closed Michigan docket (case #1:23-cv-01097) in the United States District Court for the Western District of Michigan. These documents were **not** filed with this court in an effort to impact the ongoing active litigation in the matters transferred to Tennessee, as was wrongfully presumed by Magistrate Judge Ray Kent (hereinafter "Magistrate Judge").

5. The MIWD Magistrate Judge filed an ORDER REJECTING PLEADING on February 24, 2025, in ECF 139, PID 5738, and another on February 27, 2025, in ECF 140, PID 5948, both including the following language:

> "The case was transferred to the Middle District of Tennessee on October 25, 2024. All further questions/inquiries should be directed to said Court."

6. Unfortunately, this order was neither an accurate nor appropriate response to my filings, since I was **not** attempting to impact any matter in the active case which was transferred to the Middle District of Tennessee, through my filings in ECF 139 & 140 in MIWD, but rather how the court records had been redacted by the Western District of Michigan on October 28, 2024, subsequent to a MIWD court order in ECF 137, PID 5736, **after** this lawsuit was transferred to the Middle District of Tennessee on October 25, 2024, in ECF 127, PID 5706-5710.

7. The Middle District of Tennessee has no jurisdiction, authority, or control over the court records **held by the Western District of Michigan** in case #1:23-cv-01097. Those requests must be made directly to the United States District Court for the Western District of Michigan, as I had correctly filed them. (Though there may have been some confusion, which I will explain.)

Initials: 

8. Some of the language in the documents filed in February may have been broader than the scope of simply correcting the court records in Michigan, but that was in an attempt to quickly address substantial misconduct occurring in both courts, by filing nearly identical documents in both courts and cases, for each court to address in matters relevant to and within the jurisdiction of each court.

9. Any language, objections, or requests within the jurisdiction of either court, was intended to be addressed by whichever court has the lawful jurisdiction and authority to make those corrections **while ignoring that which is beyond their jurisdiction and authority**, to hopefully be addressed separately by the other court, in response to filings I made directly with them.

10. I can see how that might have been confusing with how I filed the documents since I tried to bundle my pleadings together, in an effort to expedite addressing so many material issues simultaneously, by bad actors sabotaging my lawsuit and usurping my time and resources in two different federal courts concurrently. For that, I apologize and respectfully resubmit those filings along with this clarification, for direct consideration and action by District Judge Paul L. Maloney (hereinafter "District Judge").

11. Regardless of any language in the documents attached, I am **not** seeking any action by this court that is outside this court's authority or jurisdiction.

12. This document and the prior filings attached are intended for action by the United States District Court for the Western District of Michigan, **only in relation to the records held by that court in case 1:23-cv-01097.**

13. I am not seeking any action by the Western District of Michigan in the ongoing matters in Tennessee or related to case 3:24-cv-01282.

14. FIRST OBJECTION TO ALL MOTIONS TO DISMISS, FOR SUMMARY JUDGEMENT, AND MOTIONS/ORDERS TO REDACT AND SEAL DOCUMENTS[2].

15. DECLARATION AND MOTION TO CORRECT AND MINIMIZE OR STRIKE AND REMOVE REDACTIONS, WHILE UNSEALING ALL RECORDS[3].

16. DECLARATION AND MOTION TO FILE UNDER SEAL REGARDING DEFENDANT WALKER'S CLAIMED PRIVACY CONCERNS RELATED TO HIS HOME ADDRESS[4].

17. SECOND OBJECTION TO ALL DISPOSITIVE MOTIONS, REDACTED AND SEALED FILINGS, WITH DECLARATION ABOUT JUDICIAL MISCONDUCT IN MICHIGAN CAUSING SUBSTANTIAL DELAYS IN SERVICE[5].

OBSTRUCTION OF JUSTICE, JUDICIAL BIAS, AND MISPRISION OF FELONY BY MAGISTRATE JUDGE RAY KENT AND OTHER FEDERAL ACTORS

18. Upon information and belief, I have suffered judicial bias, obstruction of justice, and misconduct by Magistrate Judge Ray Kent, fraudulent and deceptive misconduct by Nashville Bankruptcy Judge Charles M. Walker and his counsel by the United States Attorney's Offices in both Michigan and Tennessee.

19. Nashville Bankruptcy Judge Charles M. Walker's **home address** is clearly and openly listed on the **public record** and was never "private" as falsely claimed.

20. I have suffered hundreds of hours in damages and a substantial amount of money due to misconduct by court staff and officers in both Michigan and Tennessee.

21. I have acted in good faith and filed documents under seal with both courts to quickly and easily prove this, without compromising defendant Walker or anyone else's privacy.

BACKGROUND

22. This lawsuit was originally filed on October 13, 2023, in the United States District Court for the Western District of Michigan (MIWD) in case# 1:23-cv-01097.

23. On October 18, 2023, in MIWD, District Judge Jane M. Beckering filed an ORDER OF RECUSAL[6] in ECF 3, PID 2092.

24. On October 18, 2023, in MIWD, the CLERK OF COURT (E. Siskind) filed a NOTICE REGARDING REASSIGNMENT OF CASE[7] in ECF 4, PID 2093, stating as follows:

> "NOTICE is hereby given that this case has been reassigned to District Judge Paul L. Maloney for all further proceedings pursuant to Order (3). Judge Jane M. Beckering is no longer assigned to the case."

25. On October 19, 2023, in MIWD, an ORDER OF REFERENCE[8] was filed by the District Judge to Magistrate Judge Ray Kent in ECF 6, PID 2096.

26. On August 19, 2024, in MIWD, I filed a MOTION TO RECUSE[9] the Magistrate Judge for judicial misconduct and bias in ECF 60, PID 4736-4739.

27. On August 19, 2024, in MIWD, I also filed a MOTION TO EXTEND SERVICE DEADLINE[10] in ECF 61 & 61-1, PID 4740-4743.

28. On August 19, 2024, in MIWD, I also filed an OBJECTION TO THIS COURT'S "ORDER REGARDING SERVICE[11]" in ECF 62, PID 4744-4760.

29. On September 12, 2024, the MIWD District Judge filed an ORDER VACATING ORDER OF REFERRAL AND DISMISSING MOTION FOR RECUSAL[12] in DOC 71, PID 5045, stating in substantial part as follows:

> "Shortly after Plaintiff Fenton filed this lawsuit, the Court issued an order referring the action to Magistrate Judge Kent (ECF No. 6)… Plaintiff disagreed with the manner in which Magistrate Judge Kent has proceeded and filed a motion for recusal (ECF No. 60) in which he accuses the Magistrate Judge of a lack of impartiality. Without any consideration of the merits of the pending motion for recusal, the Court VACATES the order of referral (ECF No. 6). And, because the Court vacates the order of referral, the Court DISMISSES Plaintiff's motion for recusal as moot (ECF No. 60). IT IS SO ORDERED."

30. Upon information and belief, this appears to have been a way for the court to remove the Magistrate Judge, in response to my substantive concerns about his bias and misconduct, while "saving face" and not needing to reach a determination about the merits of my motion.

31. Upon information and belief, unfortunately since the court refused to address the **merits** of my MOTION TO RECUSE[13], the court did not provide me with any **consideration** to compensate me for the damages wrongfully caused by the Magistrate Judge.

FEBRUARY FILINGS WERE INTENDED FOR THE DISTRICT JUDGE

32. Every document I filed with MIWD after District Judge Paul L. Maloney's September 12, 2024, ORDER VACATING ORDER OF REFERRAL AND DISMISSING MOTION FOR RECUSAL[14] in DOC 71, PID 5045, I filed to be heard, considered, and acted upon **directly by District Judge Paul L. Maloney**, since he remains the **only judge assigned** to this matter in the Western District of Michigan, subsequent to his September 12, 2024 order.

33. It, therefore, seems *extremely* **inappropriate** to find the Magistrate Judge *interfering* in this case again, obstructing my rights, hiding crimes and corruption in the court records by the defendants, wasting significant amounts of my time and money, rejecting my filings in this matter, when his involvement in this case was **vacated** by the District Judge, and I can see no honest, ethical, or lawful reason or authority by which he is involved in this case any longer. Especially not without addressing the substantial **merits** of my MOTION TO RECUSE[15] and providing me with **consideration** to compensate for the damages he and the court have improperly caused me.

34. Upon information and belief, I further believe that any involvement in this case by the Magistrate Judge after the date of **September 12, 2024**, has escalated **beyond** judicial bias and

THE REAL NEED (IF EVER ONE EXISTED)

35. All that needed to be redacted from my complaint, was the following **four words** containing defendant Walker's:

		Example:
(1) **House Number**	|	1234
(2) **Street Name**	|	Defendant Drive
(3) **City**	|	Nashville
(4) **+4 Code** (last four)	|	0000

36. That's it! Just ***four words***, in *one sentence*, on only *one page* of my complaint!

37. According to Microsoft Word, my amended complaint[16] contains:

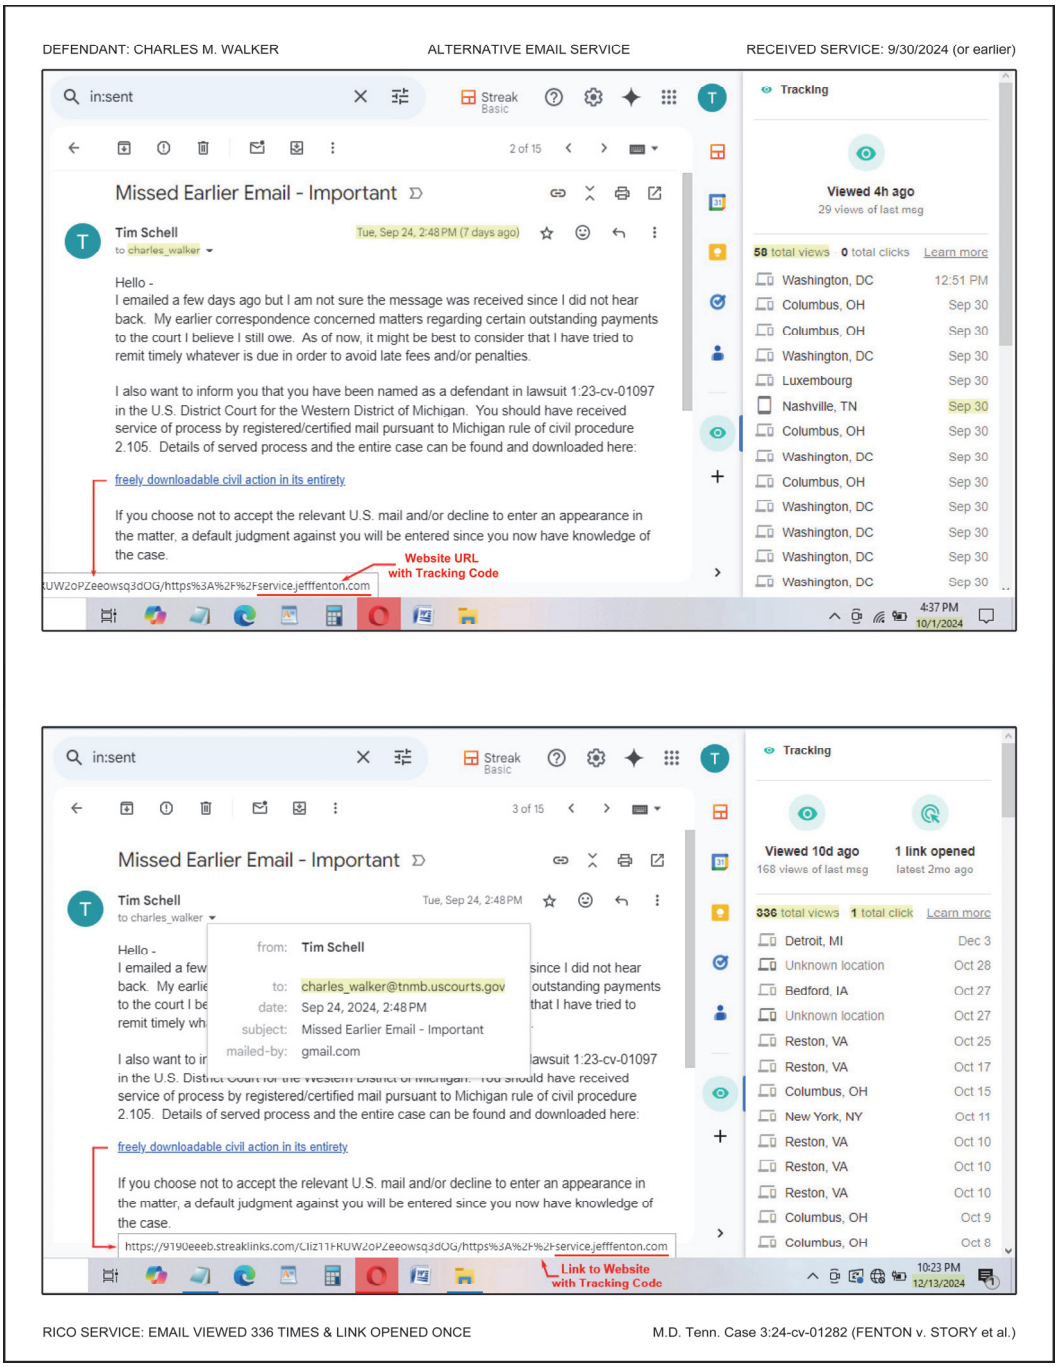

- one hundred and thirty-eight pages (138)
- six hundred and ninety-one paragraphs (691)
- two thousand five hundred and sixty-seven lines (2,567)
- thirty-one thousand and fifteen words (31,015)

38. **All** of which has been completely redacted or sealed from the public, for the alleged purpose of concealing those **four words** in defendant Walker's address, despite being **public record** for anyone to easily find (with interactive maps, pictures, and a floorplan of his home), available on the county's website, by any rudimentary Internet search.

39. I do not believe that is a reasonable, responsible, or lawful action, by any party involved.

In the context of sealed court records, the Sixth Circuit has identified a limited category of interests that may be compelling enough to overcome the presumption of openness: (1) national security; (2) trade secrets; (3) fair trial rights of criminal defendants; (4) privacy rights of participants and third parties, especially innocent third parties; (5) privileged information; and (6) "information required by statute to be maintained in confidence." 41. In a NOTICE OF INTENT TO TRANSFER ACTION[21], filed in MIWD in ECF 72, PID 5046-5050 on September 12, 2024, District Judge Paul L. Maloney, stated in part:

> "Plaintiff Jeffrey Fenton filed this lawsuit without the benefit of counsel. The initial complaint named almost 30 defendants located in Florida, Massachusetts and Tennessee. The Magistrate Judge issued a report recommending, in part, that the Court dismiss the lawsuit for improper venue. While authority for that course of action exists when a plaintiff proceeds under the in forma pauperis statute, 28 U.S.C. § 1915, Plaintiff had paid the filing fee. Therefore, the undersigned rejected that portion of the report and recommendation."

> "Plaintiff recently filed an amended complaint. In the amended complaint, Plaintiff named 35 defendants, all but two of which are located in Tennessee. Plaintiff named Bank of America as a defendant and Plaintiff contends Bank of America is located in Tampa, Florida. Plaintiff also named Cadance Bank as a defendant, which Plaintiff asserts is located Case 1:23-cv-01097-PLM-RSK ECF No. 72, PageID.5046 Filed 09/12/24 Page 1 of 52 in Tupelo, Mississippi. "This lawsuit is against five judges, ten attorneys, five law firms, two real estate firms, two real estate brokers, two banks, three courts, one county, and five state government entities in Tennessee, many of whom have strong relationships rippling through the political, legal, and economic fabric of the Mid-State, with some having connections and influence which exceeds any lawful office of the courts or the state.[23]"

"**PLEASE NOTE:** I never had concerns that the honest interests of justice in my lawsuit would not stand up to any legitimate and honestly impartial screening process."

"I was concerned that the natural and almost inevitable prejudice of the court, or any collective of professionals in a common trade, would grant the *benefit of the doubt* to their peers before I would have enough time to shore up my lawsuit with robust facts, sworn testimony, and evidence, while working the kinks out of my complaint and improving it to the best of my ability with the help and resources within my reach, **to where my lawsuit could stand on its own**, and survive any legitimate, honest, and impartial screening."

THE IMPORTANCE OF SUBSTANTIVE FACTS AND FILINGS IN MY FIRST AMENDED COMPLAINT[26] TO OUR "FIRST AMENDMENT RIGHT OF ACCESS"

42. The public's right to know how the federal courts prioritize and allocate resources for the benefit of different socioeconomic demographics in our country, such as indigent and disabled litigants in this case, far exceeds any legitimate privacy concerns by the defendants, which **the court could easily compensate** for by using **single line-level redactions** to conceal any home addresses without the need to redact any section, full page, or document in this lawsuit.

43. For a better understanding of the challenges I have and continue to face in the Federal Courts and in Tennessee's state courts prior, the level of impropriety by the defendants and their counsel, acting contrary to the honest interests of justice in this matter and others, please read both my DECLARATION EXPLAINING MY PURSUIT OF JUSTICE[27], filed in TNMD on February 6, 2025, in DOC 207, PID 583-619, as well as my NOTICE TO ALL BAR MEMBERS[28] filed in TNMD February 27, 2025, in DOC 216, PID 984-1015.

18 U.S. CODE § 4 - MISPRISION OF FELONY[29]

> "Whoever, having knowledge of the actual commission of a felony cognizable by a court of the United States, conceals and does not as soon as possible make known the same to some judge or other person in civil or military authority under the United States, shall be fined under this title or imprisoned not more than three years, or both." (June 25, 1948, ch. 645, 62 Stat. 684; Pub. L. 103–322, title XXXIII, §330016(1)(G), Sept. 13, 1994, 108 Stat. 2147.)

CONCLUSION

44. It is critical that the public, justice advocates, court reform advocates, indigent and *pro se* rights advocates, court watchers, court oversight boards, government and court watchdogs, as well as people involved in numerous state and federal "equal access to justice[30]" programs, along with segments of society interacting with all different tiers of our justice system, have full unfettered access to the filings in this lawsuit. **A government "for the people by the people" cannot fix problems which are <u>hidden</u> from them.**

45. EXPERIENCE AND LOGIC TEST: "The test for deciding **if** the First Amendment right of access applies to a particular proceeding or record is the "experience and logic" test: "if…

(1) that proceeding [or record] has 'historically been open to the press and the general public' and

(2) 'public access plays a significant positive role in the function of the particular process in question.'" Indianapolis Star, 692 F.3d at 429 (quoting Press-Enterprise Co. v. Superior Court, 478 US. 1, 8 (1986)). Once the First Amendment right of access attaches, it can only be overcome **"where a party can show a compelling reason why certain documents or portions thereof should be sealed [and] the seal itself [is] narrowly tailored to serve that reason."** Shane Grp., Inc. v. Blue Cross Blue Shield of Mich., 825 F.3d 299, 305 (6th Cir. 2016) (citing Press-Enterprise Co. v. Superior Court, 464 U.S. 501, 509–11 (1984)) (emphasis added).

46. Per the **first prong** of the court's "experience and logic" test (above), **amended complaints** in federal civil rights lawsuits **have** 'historically been open to the press and the general public'.

47. Per the **second prong** of the court's "experience and logic" test (above), **public access** and **transparency** in court proceedings and government operations is **essential** to promoting honest, ethical, fair, and lawful dealings amongst the people.

> "Where transparency and accountability are stifled, corruption inevitably thrives." — Jeffrey Ryan Fenton

48. On October 28, 2024, an order was entered by District Judge Maloney in ECF 137, PID 5736, ordering **broad redactions** of entire substantive documents in my lawsuit, including my **First Amended Complaint**[31], instead of yielding to case law by the Sixth Circuit Court of Appeals, stating, **"where a party can show a compelling reason why certain documents or portions**

thereof should be sealed [and] the seal itself [is] narrowly tailored to serve that reason." Shane Grp., Inc. v. Blue Cross Blue Shield of Mich., 825 F.3d 299, 305 (6th Cir. 2016) (citing Press-Enterprise Co. v. Superior Court, 464 U.S. 501, 509–11 (1984)) (emphasis added).

49. Everything I have filed, which has been sealed or redacted in this lawsuit to date, in both MIWD and TNMD should be made publicly available again, **except for word-level or line-level redactions which the court can effectuate to address any real privacy concerns**, without redacting, sealing, or restricting from the public any more than is "absolutely necessary".

50. I know of no **honest** compelling reason for redacting **any** document in this lawsuit, but in the event the court found it reasonable to conceal any (or all) of the defendant's home addresses, they could easily do so with **word-level or line-level redactions,** without redacting, sealing, or restricting a substantial portion of any document in this lawsuit.

51. To repeat, "Once the First Amendment right of access attaches, it can only be overcome "where a party can show a compelling reason why certain documents or portions thereof should be sealed [and] the seal itself **[is] narrowly tailored to serve that reason.**" Shane Grp., Inc. v. Blue Cross Blue Shield of Mich., 825 F.3d 299, 305 (6th Cir. 2016) (citing Press-Enterprise Co. v. Superior Court, 464 U.S. 501, 509–11 (1984)) (emphasis added)."

52. This document has been filed in an attempt to persuade MIWD to correct this oversight, error, or injustice; to be in compliance with the Sixth Circuit case law cited in the previous paragraph.
